HELLO AGAIN FROM THE NORTH END OF MOOSE POND!!

The weather has been beautiful and the rain storms few and far between. Camp is in full swing now after completing our first jam-packed week. With many trips occurring, competitions being decided, and activities developing camper skills, this week was a busy one. Let's get started...

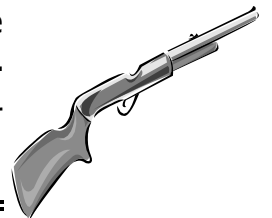

Saturday had promises of basketball glory when **Uncles Doc Potter** and **Sam Bernstein**, along with CIT **Isaac Bol Rik**, traveled to Indian Acres for a tournament among several boys' camps. Though they started the round robin race with a win, their next defeat knocked them out of the playoff bracket. They returned to camp with fifth place. **Tommy Silk, Henry Spearman, Owen Bass, Jose Martinez-Torres, Chip Roriston, Topher Perkins, Robbie Hallock, Brian Turrell**, and **Rafael Sosa Medina** represented Winona well.

Every Friday, a select few sailors from the Inty and Senior units sail in the Agawam sail series against several other regional camps. Near the end of the summer, their weekly scores are totaled to decide the summer long sailing champion. This week **Mitch Clements** and **Henry Jones** sailed for Inty. Hopes are set high to bring home first place honors at summer's end.

Lacrosse competition started on Friday with a match against Indian Acres. **Uncles Aydan Strachan** and **Colby Johnson** coached **Mitch Lehman, Griff Lehman, Henry Spearman, Brian Turrell**, and **Jose Martinez** as well as a few junior and senior campers. Though they sprang out to an early lead, they were not able to overcome an onslaught of goals by the opposing team and dropped an 11-2 decision.

On Tuesday, the rifle team led by Uncle **Chad Skinner** journeyed down to the western shores of Lake Sebago for a match against O-AT-KA. In the spirit of friendly inter-camp competition, the two competing teams consisted of boys from both camps. Shooting for Inty were **Carlos Cuetos Vazquez, Robbie Hallock, Julian Orillac**, and **Henry Spearman**. A good time was had by all, and they are already looking forward to their next match.

Visiting Camp Wigwam brought their "A" game on Monday to the shores of Moose Pond. Uncles **Florian Gruetzmacher, Banak Thiwat**, and **Sam Bernstein** coached **Lino Ben, Rafael Cabezas, Carlos Cueto Vazquez, Antonio Estevez Sanchez-Bedoya, Nicolas Garnica, Jorge Mijares Mancera, Esteban Nicolau Mancera, Alvaro Pascual Brier, Jaime Sobrini de Villalobos, Rafael Saavedra, Milo Kremer, Mitch Clements, Juan Vazquez**, and **Jacob Voyzey**. They had good ball control, moving it up and down the field efficiently while peppering their goalie with shots. However, the great effort did not match the scoreboard. The competition departed with a 4-1 victory and left Inty campers longing for their first soccer victory of the summer.

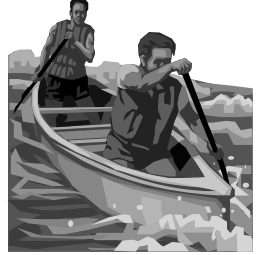

(Over for more news!!)

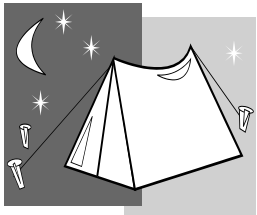

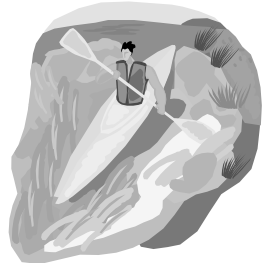

Thursday saw Inty campers **Robbie Hallock, Fergus Mason, Pedro Martinez-Velez, Issac Fournier, Todd Crawford, Rafael Sosa-Medina, and Henry Quesada** go on the first overnight mountain trip of the summer to Caribou Mountain. **Uncle Bruce Allsopp** and **Aunt Alicia Allsopp**, along with CIT **Anthony Maggiola**, guided the group of billy goats to a campsite near the summit. They were able to watch an amazing sunset and a half moon rise. Campers returned to Winona very eager to claim a spot on the next mountain trip leaving the shores of Moose Pond.

Leaving on Saturday and returning for Sunday Service at noon, **Uncles John Lucas, Will Mayner, and Aunt Jesse Littlefield** got in the Bat Barge with **John Cagganello, Henry Jones, Milo Kremer, Sam Martin, Tommy Silk, Victor Sabbagh, and Christian Sabbagh** to go to Newt's Isle on Moose Pond. High winds and large white caps kept the paddlers from safely canoeing our waters. Not deterred in the least, they had a splendid feast, told some great stories, and slept under the stars.

Tuesday saw kayakers **Theo de Meeus d'Argenteauil, Arnaud de Monval, Owen Bass, JC Ralff, and 'Topher Perkins** as well five senior campers were the first to experience Steep Falls and Limington Rips. After earning their chipmunk requirements, the eager paddlers put their skills to the test and came through with flying colors. **Uncles Jeff Lamson** and **Drew Nicol** returned to camp with grand tales enough to entice another crew of campers to sign up for the next trip.

On Thursday, **William Zhang, Pablo Soler, Christian Sabbagh, Ferdinand Merk, Emilio Domenech, CIT Angus Bass** and five senior campers were the second crew to enjoy Steep Falls. Lots of surfing and wave smashing was had by all. Once again, **Uncles Drew Nicol** and **Jeff Lamson** were very proud instructors seeing their days of instruction on the pond have rewarding results.

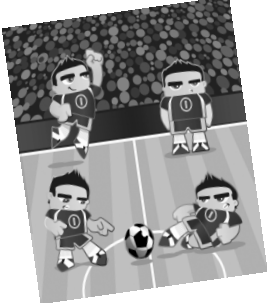

On Wednesday **Uncles Jack Bement** and **TJ Ganser** guided "staunch and true" paddlers **Tommy Silk, Ghael Fobes, Nick Giunta, Liam Cornec, Devan Lockwood, Carter Hermes, Topher Perkins, Owen Bass, Jean Devillard, and Arnaud de Monval** to Richardson Lake. Beautiful weather gave way to thumpers overhead, followed by a starry night. As always, campers were treated to hearty meals after a long day of paddling.

On Tuesday **Aunt Alicia Allsopp** and **Uncle Jack Elzinga** led **Christian Sabbagh, Pablo Soler, Pedro Martinez Velez, Issac Fournier, Devan Lockwood, Henry Walker, Carter Hermes, and Victor Sabbagh** to climb South Bald Face Mountain. Campers overcame steep granite rocks on their way up the Bald Face Circle Trail, but were rewarded with outstanding views. After completing the Loop Trail, they stopped for a bracing dip in the cool waters of Emerald Pool.

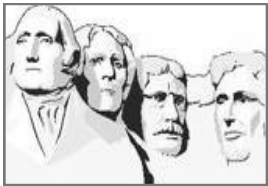

Lacing up their boots, **Townsend Miller, Todd Crawford, JC Rolff, David Rodriguez, Griffin Lehman, Paul Rodriguez, Fergus Mason, Julian Orillac, and Mitch Lehman** were guided by **Uncle Bruce** and **Aunt Alicia Allsopp** up Pleasant Mountain, which is viewed daily by campers from camp. Even though they had a good hike, thunder and lightning prevented them from reaching the summit, and they had to seek shelter. Though denied viewing pleasure on the summit of Pleasant, they returned to camp after the storm and enjoyed a cool dip in Moose Pond.

On Saturday afternoon, Inty Winona hosted an Archery match against O-AT-KA. Archers **Juan Ernesto Vazquez, William Zhang, Ferdinand Merk, Tommy Litle, Julian Orillac,** and top scorer **Andrew Allsopp** (291 out of 300) gave it their all against seasoned opponent, but came up short 1379-1310. **Uncle Sebastian Orillac** pledges victory at the next archery match.

Camp Cedar hosted a 13 and under soccer tournament on Thursday. Representing Winona were **Rafael Cabezas, Rafael Saavedra, Juan Ernesto Vazquez, Jaime Sobrini, Milo Kremer, Jorge Mijares Mancera, Esteban Nicolau Mancera, Jacob Voyzey, Alvaro Pascual Brier,** and **Nick Garnica** as well as a few senior campers. **Uncles Florian Greutzmacher** and **AJ Johnson** coached the all-star team and were proud of the team's great sportsmanship and teamwork. Late arriving campers will breathe new energy and life into Winona's soccer team and hopefully provide victory in the days to come.

Stay tuned to next week's newsletter for updates to these Inty exploits. Activities and fun will only get bigger and better here on the shores. The tremendous staff and outstanding campers are making this an incredible summer to remember already!

After an exciting, action packed first full week of camp we are all looking forward to more adventures, fun, and skill building at the camp we love so well.

Until next week,
